

**Dear Colleagues,**

PAGEV Turkish Plastics Industry Congress Organization Committee is pleased to invite you as speaker in the **13<sup>th</sup> PAGEV Turkish Plastics Industry Congress** which takes place on **December 4, 2018**, the day before Plast Eurasia, at **Hilton İstanbul Bomonti Hotel**.

This year Congress will focus on "**Plastics of the Future**". It is fact that plastic materials, used in all areas of life, are rapidly taking place of other alternative products, because of their superior properties. Plastics, which usage in all sectors increasing is becoming an indispensable material for the 21<sup>st</sup> century.

Based on this premise, our congress will bring together representatives from public authorities, international organizations, manufacturers and academia, serving as a platform to discuss raw materials and markets, new technologies, innovative developments and design. We will be glad to welcome you to our Congress as a speaker among other speakers and specialists from leading companies from all around the world.

**Sincerely,**

**Burak ÖNDER**

**PAGEV Board Member / Congress Chairman**
